Student contacts you saying they tested positive

YES

Dean of Students has already contacted you?

Follow Dean of Students guidelines for communicating with class

CLASS” and “session” means subset of students who were present with the positive case, and the next session of THOSE students.

Accommodate positive (self-isolating) student and any quarantining students

NO

Remind student to notify Stamps

Recommend that students who participated in last class session (a) get surveillance tested, (b) monitor their health.

Hold NEXT class session in remote mode
